

Development Permit Application - 2022

Sandy Beach Lake Regional Park Authority

Please review and complete the information provided in this Development Permit Application, and submit to: admin@sandybeachpark.ca – or kkdavis82@gmail.com

For information contact:

Ken Davis: 780-871-2756

General Information:

Sandy Beach Lake Regional Park Authority (SBLRP) is responsible to ensure that all development within the boundaries of the Regional Park are conducted such that the development meets all appropriate Regulations, Standards and By-Laws.

The requirements as they pertain to various types of development can be found in (but not limited to) the following reference documents:

- Sandy Beach Lake Regional Park Bylaws
- The Uniform Building and Accessibility Standards Act
- National Building Code of Canada
- The Canadian Electrical Code (and Provincial Supplements)
- The Public Health Act and Regulations to the Public Health Act

It is the expectation of the SBLRP Authority that **ALL** development work will be subject to application and approval by the SBLRP Authority. With exception of small “non-dwelling” structures (maximum 100 ft²), applicable building permits and subsequent inspections are required to be completed.

The satisfactory completion of necessary permits and inspections, and all associated costs thereof will be the responsibility of the person(s) whose name(s) are noted as the “Applicant” within the “Development Permit Application”

Fees related to the development will be paid to the Sandy Beach Lake Regional Park Authority. The fees will be relevant to the overall scope of the development, and will be identified to the permit requestor at the time of the permit request. The fees collected are to cover items related to initial review and approval, required inspections and a project completion deposit.

DEVELOPMENT PERMIT APPLICATION -- Sandy Beach Lake Regional Park

Applicant Name: _____ Cabin / Lot No. _____
Last First

Mailing Address: _____

City / Town: _____ Postal Code: _____

Telephone: (Home) _____ (Work) _____ (Cell) _____
